DEPARTMENT OF RADIODIAGNOSIS, CDSIMER

GUEST LECTURE: REPORT OF EVENTS

SPEAKER: DR MADHU S D

Guest lecture was organised by Department of Radiodiagnosis on 23rd April 2025. The esteemed guest was renowned radiologist Dr. Madhu S D, currently working as Professor at Kidwai Memorial Institute of Oncology, Bangalore, Karnataka. The lecture was on the topic: Oncology case discussion

The lecture was conducted in F block auditorium in CDSIMER at 2:30 PM. Circular was sent regarding the lecture by admin department and staff of various departments were invited for the same.

Introduction of the speaker was done by Dr Nithyashree and she elaborated on the qualifications and achievements of the speaker. Dr Madhu S D then gave a brief introduction about the topic. He showed cases of liver lesions and explained how to interpret the same. He went on to describe the key imaging features of liver lesions in adult and paediatric age group and how the interventional radiology will help in the management of focal liver lesions. Various cases were shown as examples and interactive discussions were held on the cases displayed.

The talk was given between 2:30 to 3:30PM and was attended by 40 staff, including the Medical director, Dr A. C Ashok, Dean Dr Prashanth M and Medical Superintendent Dr. Madhu S.

The talk was followed by a question and answer session, where few questions were asked by the attendants and doubts were cleared by the speaker. After the conclusion of the discussion, vote of thanks was given by Dr. Roopa H N. This was followed by a brief talk by the dean, Dr. A.C Ashok and he felicitated the guest. Event concluded at 4:00 pm.
